

**Class Created Expectations: What can I do to exceed standards rather than meet standards?**

**The following expectations were generated:**

- 1) ALL food/beverage choices are high in nutritional value and include high quality calories.**
- 2) Nutrition based vocabulary is used to describe food/beverage choices. Examples: grilled, baked, whole grain...**
- 3) The overall menu demonstrates creativity, is neat, and well organized.**
- 4) Few, if any spelling errors were made.**
